

## Miss Devon & the Outlaw Bio

Devon Dawson, aka "Miss Devon" of Fort Worth, Texas, is a top entertainer in western music, and recognized by the Academy of Western Artists as "Female Performer of the Year 2009".

Noted for her very rhythmic vintage 'sock-rhythm' guitar style and warm 'swing time cowgirl' vocals, which bring to mind Dale Evans, Rosalie Allen, and Patsy Montana, her lively persona intrigues and engages both kids and the adults in her audience.

She holds a Grammy certificate for her participation in the Disney CD "Woody's Roundup featuring Riders in the Sky", as the singing voice of Toy Story 2's "Jessie the Cowgirl". She has performed in and out of that character "coast-to-coast", and all across the American West, including at the renowned Grand Old Opry in Nashville, Tennessee, and at Pixar Studios in Emeryville, California. Around her home stompin' grounds, Devon has made personal appearances with Radio Disney, Imagination Celebration, libraries, schools, public festivals and private events. She has appeared onstage at the Bass Hall with 'The Riders In the Sky' and Michael Martin Murphy.

She has performed several dances with the legendary western swing group, 'The Texas Playboys'. Devon is also frequently seen on Encore's "The Westerns Channel", and RFD-TV.

Jessie Del Robertson, aka 'Outlaw Jessie Del':

When this western gent joins Miss Devon on the stage, things get more fun than puttin' socks on a rooster. According to witnesses, he's the rowdier half of the duo, and he got his name, as Miss Devon says, "It's plumb illegal what he does with Milk Cow Blues!" Like all outlaws, Jessie has been known to disappear into at least a dozen alias personalities, so watch him close! With fine tenor-to-baritone vocals (sometimes favorably compared to those of Tommy Duncan), added to some swingy saxophone rides, a little sleight of hand, and a LOT of charm, this rascal just might make a clean getaway with yer funny bone.

"Miss Devon and the Outlaw" are past winners of the Western Music Association Harmony Duo competition, and in true western style, these folks could be stirrin' up the most dust between here and the chuckwagon camp! They appear at ranches 'n rallies, rodeos 'n railroads, dances 'n dog shows, fairs 'n festivals, convalescent homes 'n conventions, cowboy gatherings 'n cowboy churches, salons, saloons, 'n schools, surprise parties 'n weddin's, bar-b-ques 'n buckboards, shoot-outs, cookouts 'n campouts, horse barns 'n house concerts, museums 'n motor clubs, luaus 'n libraries 'n little folks' birthdays, so give 'em a holler!
