Silverado Star Express 10-28-05

Global Tec Solutions WiseFest 2005 BBQ was held this year in the Trinity II room at the Anatole Hotel near downtown Dallas.

The WiseFEST 2005, 3500 guests were greeted by Live Longhorn Steers, armadillos, an assortment of “Wild West” characters including a golden living Cowboy statue as they made their way into a western town party room through a lighted oil derrick field entry. The rodeo banners and Texas flags suspended from the 25ft ceilings gave you the feeling you were getting ready for a big time western rodeo or celebration and that’s exactly what you got!

The WiseFEST 2005 BBQ guest’s Headliner entertainment for the evening were: Carrot Top and JOLIE who performed with her country music band for the 3rd year in a row. Other popular entertainment activities included an Old West quick draw challenge which the women really seemed to enjoy, the Dallas Dillo Derby that you really need to witness to appreciate the true sprit of human competition, (2) live Texas longhorns you mounted and had your picture taken, western look-a-like & sound a-likes including a great John Wayne, The always popular butt sketch artist who didn’t seem to run out of subjects to work his talent and the crowd favorite that had a fixed video camera on it to provide wide screen entertainment for all throughout the evening, the mechanical bull rodeo.

The authentic appearance and detailing of the western store facades, stagecoaches, wagons, ranch fencing, cactus, fiesta lighting, time period old west props & décor all came together to add a sense of being in an 1880’s outdoor town celebration.
